Medical Attendance Rules - Question of admissibility of treatment for tubercular diseases.

Sir,

I am directed to say that the Government of India have under consideration the question whether treatment for tubercular diseases comes within the ambit of the Secretary of State's and the Central Services (Medical Attendance) Rules. As it is desirable to attempt uniformity in this respect, I am to enquire whether in actual practice the Government of Madras etc. have been applying the medical attendance rules governing the officers of the Secretary of State's Services and the Provincial Government servants to tuberculosis patients. If so, the Government of India will be glad to be favoured with the views of the Provincial Government as to the extent of responsibility which Government should assume in this regard.

Sd/- Harban Singh
Assistant Secretary.
